Welcome!

I am delighted that you have joined the TCD community to elevate your cannabis consumption.

Our mission is to **Advocate** for safe cannabis consumption;
Help **Educate** cannabis consumers;
Assist with what and how you **Medicate**,
using cannabis.

We want to help you find the **Entourage** and products that works best for you, and your needs!

If you have any comments, feedback or questions regarding the app and/or service, please do not hesitate to contact to us. We are only successful if you benefit from our service.

Yours Truly,
Jono
Founder

A 90 sec - 2 min video will appear as a tutorial

Incomplete Entry Alert

- Once an Entry has been saved, we will notify the User after a set time (1.5 hrs to start with), which can be configured via Settings.
- If an Entry has not been reviewed, we will remind the User next time they log-in, up to 3 days, then we will complete it and leave it review-less

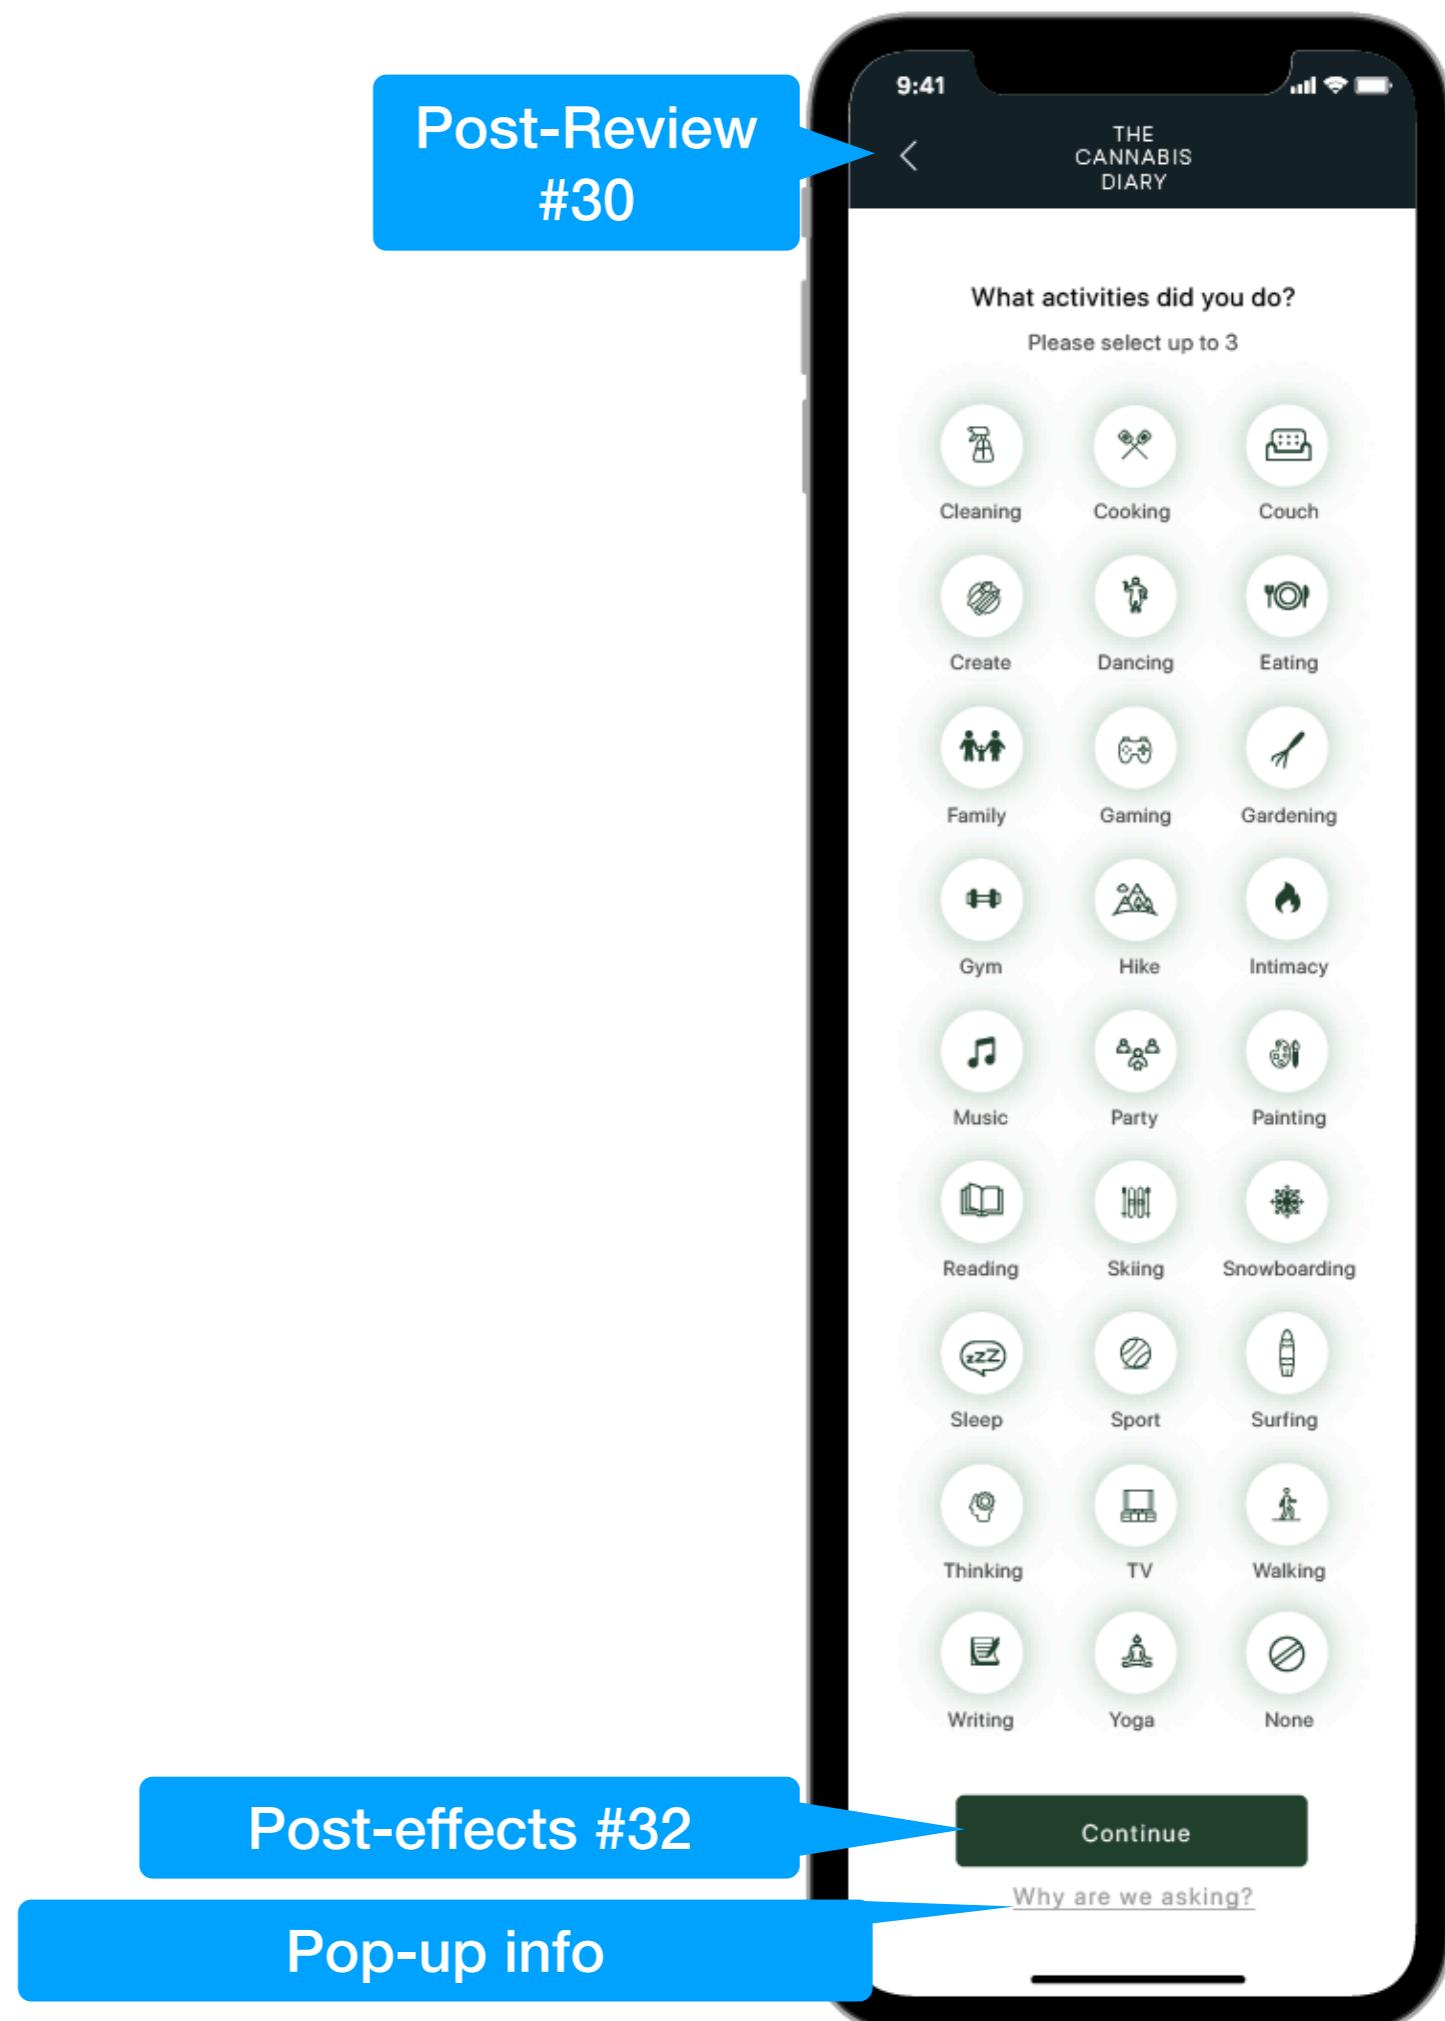

Post-Review

- If the user completed the pre-effects questions, we will show them this overview when they want to complete an entry
- If no selection pre, then Post-review screen directly

Post-Review Drinks

Post-review

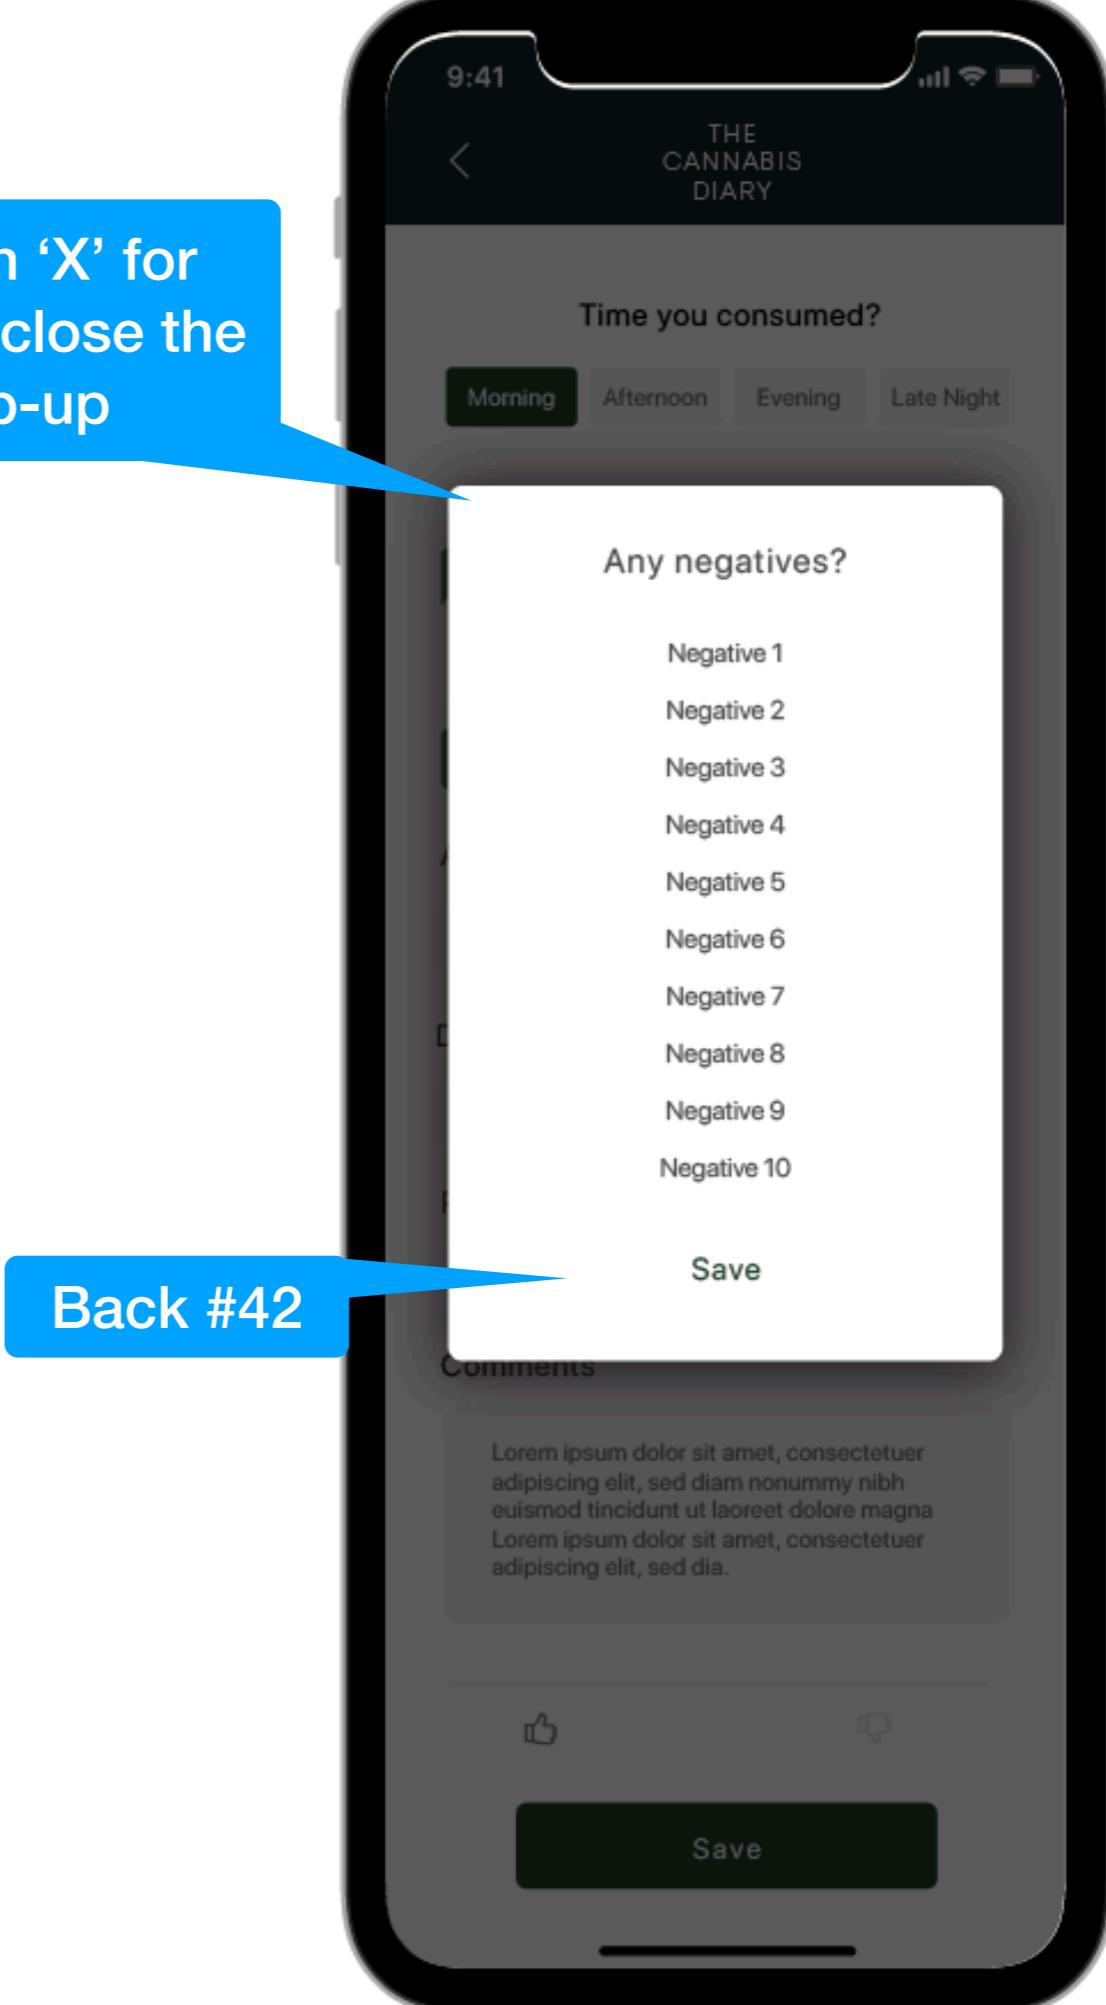

- The user can only select one of the answers for each question
- Public (Green = can be published on the Community screen) and Private (Red = Only your entries)
- Rating 1-5 (or 0)
- Thumbs up = Favorite
- Thumbs down = Disliked
- Negative Yes = Pop-up box (next screen)

Post-review Negatives

- If the user answers Yes on "Any negatives?" On the screen before (Slide 32), then show a drop down menu with Negatives:
 - There will be ~10-15

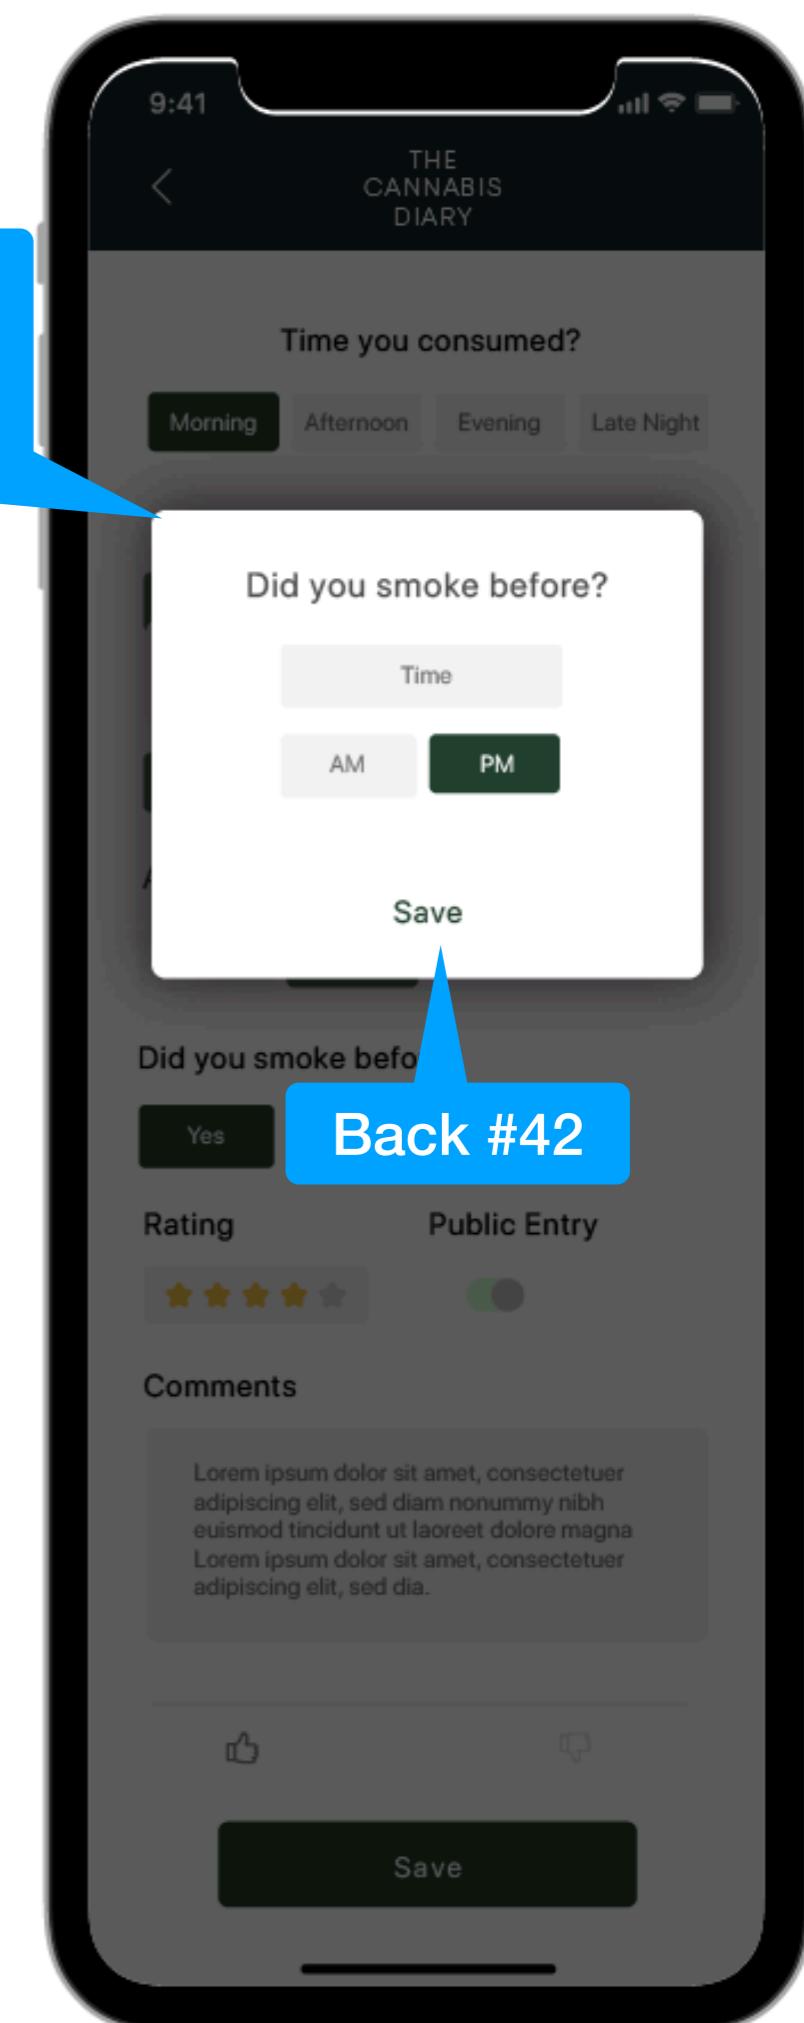

Add an 'X' for them to close the pop-up

Post-review Consumed before

- If users Answers Yes on “**Did you smoke before?**” then offer him a drop down time selection so he can provide the estimated time
 - Hours & Minutes (AM / PM)

Add an ‘X’ for them to close the pop-up
